“Christ by His Resurrection did not cross us over a lake, over a crack in the earth, over a canal, over a river like the Red Sea. He brought us over an abyss, of which it was impossible for man to cross alone. For centuries we awaited this Pascha, for this passage. Christ brought us from death to life. This is why today we ‘celebrate the death of death, the destruction of hades’. Death is lost. Do you understand? Today we celebrate ‘the beginning of eternal life’, a life near Him.” (Elder St. Porphyrios)
